# Bare Spirits Nudes Letter

## *president's ponderings*

Dear Fellow Spirits,

Greetings as the days get longer and the sun gets higher in the sky! Soon that trip out to the hot tub will not seem so frosty-far!

This June 4<sup>th</sup>, two members--who met one year at our first Open House--are sharing their wedding with us at their second Open House. Cool, huh? We will have our general meeting at Jim & Judith's place on Saturday, June 3, and get together a work party for whatever is needed for our first nude wedding. Ask Patti, Judith, Julie, or me if there is something you might offer in the way of wedding ideas or offers of help. (Items or services needed so far are a videographer.)

Our next Bare Spirits meeting is at Squaw Mountain Ranch during the NW-AANR Spring Board Meeting the first weekend in April. We plan to have the general meeting on Saturday, April Fools Day, at sixish which will be after Judith finishes her shift serving lasagna to everyone. Judith and Gene have offered their cabin for the site.

Looking forward to seeing all of you at SMR!

*Stephanie  
Madame President  
Bare Spirits*

September 9 - monthly meeting, 5 pm, potluck, Trenary's house in Dallas

## Editors Note

Hi Bare Spirits

I apologize for the Nudes Letter being late this month. I've been getting ready to leave Quartzsite and it's more work and is taking much longer than I expected.

Remember, it's articles from YOU that make the Nudes Letter GREAT. Please send me your articles or pictures to [donbauerle@oip.net](mailto:donbauerle@oip.net)

Yours in Spirit  
Don

## Update from Quartzsite, AZ

As you can see in the picture, my RV has grown. Not only is Quartzsite a great place to spend the winter, it's a great place to get deals on RVs. I traded my 18 ft trailer for a 35 ft RV a week ago. Never driving one of these land yauts before, I have been taking practice drives learning to keep it between the lines and off the curbs when I make turns. I didn't realize what it was going to take to tow my pickup truck behind the RV. After looking at several options, I now have a car trailer to

tow the truck on. A little more practice and I'm heading north to Oregon.

See You all soon

Don

## **ORCOBA joins with the Oregon Department of Fish & Wildlife for Earth Day 2006**

**SATURDAY, APRIL 22, 2006 - COLLINS BEACH,  
SAUVIE ISLAND**

On April 22, ORCOBA will be working with the Oregon Department of Fish & Wildlife as part of the "SOLV-IT" state-wide Earth Day clean-up. ODFW participates in this SOLV-sponsored project each year on Sauvie Island, and they depend on volunteers to help them clean up various beaches and areas, and help restore and preserve the natural environment. ORCOBA has arranged to take on the clean-up at Collins Beach for this annual event, and ODFW is pleased to be able to count on our group's support and energy to help with this vital effort.

The official clean-up will take place from approximately 9:00am – 1:00pm on April 22, following a preliminary gathering at the Sauvie Island School off of Reeder Rd., where instructions and supplies will be distributed to participants. Clean-up areas will include the beach area, parking lot, and riparian wooded areas, and as manpower permits, the adjacent textile beach and parking lot (Walton).

Our annual participation in this significant event is an excellent way to show support for our CO beach, as well as continue to enhance our positive working relationship with the Oregon Dept. of Fish & Wildlife, which is responsible for management of the beach and natural areas. Please mark your

March 2006

calendars now, plan on coming out for a day of fresh air and fulfilling work, and stay tuned for further details about the event.
