# Bare Spirits Nudes Letter

\*\*\*\* **BS News Alert** \*\*\*\*

## Road Clean Up Delayed until June

No need to show up early for Litter Clean Up Saturday. Bare Spirits was ready, but Polk County wasn't. Word is they will have the vest, bags, and signs ready by our meeting June 3. We will get more information at the meeting.

### Summer's Back - Lets Play

*president's ponderings*

We are fast becoming famous.

At the AANR-NW spring board meeting at Squaw Mountain Ranch, quite a few people asked about Bare Spirits. One woman in the hot tub said, "I heard that you all get along really well and have a great time together!"

She's right. I know it is the quality I most love about Bare Spirits as a club. We truly are a Mutual Admiration Society if I ever saw one. Preservation of our special character is my main concern as your president.

In all organizations, conflict is inevitable. It is how that conflict is handled that will make all the difference. The outcome of

any one conflict will never be as important as the relationships we maintain with each other.

As a framework for conflict resolution, I hit upon a system that looks good and should be easy enough for everyone to understand and use. Gene and I are becoming familiar with it. Your board of directors will try it out as we begin conversations about our club and where we are headed.

As members, all of us are the club so I request that everyone think about who we are as a club and how we want to grow. Think in positive terms of ways we might ensure that Bare Spirits remains the great social nudist club that it is.

We are a very young club with an excellent beginning and promising future. My vision of Bare Spirits for tomorrow is what we are today: a coming-together of diverse yet like-minded people who enjoy each other's company, respect each other's opinions, and work to maintain a fun and comfortable environment for all.

Party on!

### **From our Vice President**

Bare Spirits were well represented at the AANR - NW Spring Board Meeting at Squaw Mountain Ranch on April 1-2.. In spite of drizzle and even some snow in the wee morning hours of April Fools Day, we had 19 in attendance for our Bare Spirits meeting on Saturday. We attended many AANR-NW meetings and have much information to share.

A big thanks to Rick Wohlers who served as our first Club Historian. He presented us with two attractive binders with photos

and Nudes Letters from our first year. These were shared at the AANR-NW Wine and Cheese Party with many positive comments. Rick declined any reimbursement for his materials and we thank him for his contribution.

Looking forward to our second summer. Hope to see many of you on Saturday.

Yours in Spirit  
Judith King

### **Did You Know**

Nude recreation is growing in the United States and Canada. During the 1990s the industry grew over 75%. AANR now has nearly 50,000 individual members and nearly 270 affiliated clubs, resorts, bed & breakfasts, and RV campgrounds. About half of these are "landed" clubs which have their own grounds and facilities. Others, called travel or non-landed clubs, are comprised of groups of people who plan trips to clubs with facilities or hold other social events to enjoy nude recreation.

### **The Bulletin and AANR ballots**

The May issue of The Bulletin is on its way to you. AANR is broadening voting powers to the general membership. At the Spring Board Meeting, clubs were encouraged to have election parties. Many candidates for the national board are from the Northwest. Please bring your ballots to the May 6 meeting if you would like to share information on this process.

Please let me know as soon as possible so we can include the information in the release.

### **Editors Note**

Hi Bare Spirits

I apologize for not getting an April Nudes Letter out. Until last month doing the Nudes Letter on the road has worked fine. but I had trouble getting internet access last month. I'm back and looking forward to seeing you all Saturday. Watch out because interviews are back. It might be you.

Remember, it's articles from YOU that make the Nudes Letter GREAT. Please send me your articles or pictures to [donbauerle@oip.net](mailto:donbauerle@oip.net)

Yours in Spirit  
Don
