Bare Spirits Nudes Letter

Halloween Party was BLAST

Many of the Bare Spirits made it to the Willies for the Halloween Party. It was a blast and the band was GREAT. Even though "Costume Party at a Nudist Club" seems like an oxymoron, the costumes were GREAT. The Party went way past the Midnight.

Thank For the Help

I would like to say thanks to all those who helped with our woodpile the last time we all got together. I just wish it didn't turn out that that's where the bees were nesting!

Bare Bowling

The first bare bowling of the season is coming up on November 11, barely a week and a half from today. We are using a new location for this season, so if you are planning to attend, contact me at hsevents@verizon.net for the address and registration. Pre registration will close next Wednesday November 8 with the reduced prices of \$10 for AANR/TNS members and \$12 for non members. If you elect to pay at the door, then the prices are \$15 and \$17 respectively.

Annual Polar Bare Dip

JANUARY 6 - SAVE THE DATE - DIP IN THE NEW YEAR
AT THE AANR-NW GAT ROOSTER ROCK POLAR DIP!

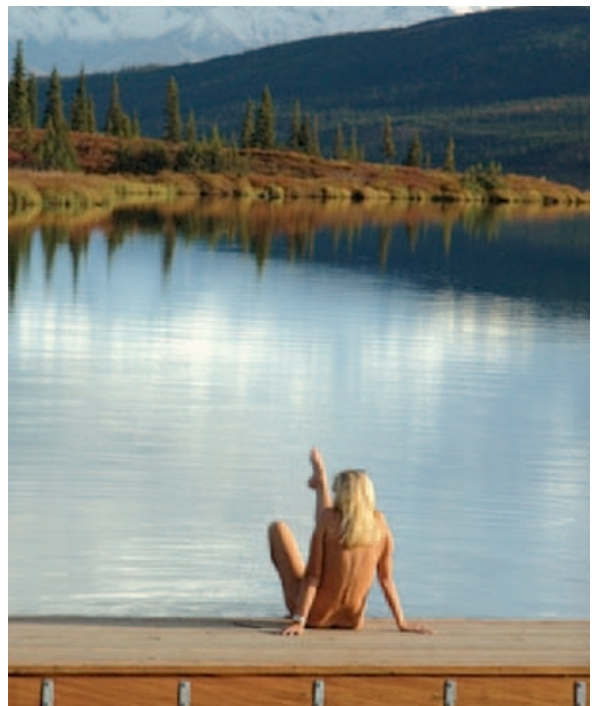

Submitted by: Shirley Gauthier

This fourth annual AANR-NW GAT sponsored event for the brave, bold, and committed continues to grow in

popularity as the years go by. Join others to "Dip in the New Year" and participate in the fun. The weather can be challenging and as in previous years neither rain, sleet, wind, snow or hail will prevent us from completing the annual hike and dip in the mighty Columbia River. Dipping not your expertise then join in the hike and cheer-lead those that do.

Immediately following the dip participants will travel to a nearby location for lunch and socialization. Have a suggestion about a lunch location? Would you like to contribute a raffle prize? Care to join us just for lunch? Email Shirley Gauthier at sherbog@msn.com. Stay tuned to AANR-NW enews for future updates and information about the Polar Dip.

AANR in the News

Erich Schuttauf, Executive Director

MORE THAN ONE HUNDRED!!!!.

More than 100 newspapers, television networks, and media outlets have carried an Associated Press article trumpeting that nudist resorts aren't remaining hidden anymore. This week, press from USA Today to MSNBC, CNN, and the Chicago Tribune have carried the story, which originates from Paradise Valley in Dawsonville, Georgia. Quotes from owner Joe Lettelier state that nude recreation clubs are now proud members of their communities, organizing everything from open houses to charity events, while growing

successful real estate and resort businesses.

In addition to news from Paradise Valley and Paradise Lakes, there are quotes from Dean Hadley of Cypress Cove and AANR, plus mention of the projects at Desert Shadows. While some versions of the story are longer and some shorter, they all point out that nude recreation has gone mainstream. In fact, some stories use the tagline, "skinny-dipping in the mainstream."
