## Bare Spirits Nudes Letter

### Message from President Danny:

Summer is just around the corner! Nude Members - Nude Opportunities! Long Days have me looking forward to our monthly get-together to 'chill out' - relax and enjoy the warmth of the sun! Our magical summer parties will start at the new 'happy hour' of 1pm (happy to be naked that is) which basically gives us more time in the sun --- Look Ma! No tan lines! At our next meeting, please plan to introduce yourself and share a story about your own 'Bare Spirit'! I am looking for a 'few nude members' to contribute to the nudesletter - don't be surprised if someday, Danny walks up to you and say's ... SMILE ...

### Bare Spirits Road Clean up

For the 2nd year in a row, Bare Spirits members in association with Polk County Oregon Adopt-A-Road program, made the Pioneer

trek and cleared the roadside litter. What a great way to show our Community Spirit! We encourage other clubs to see if there is a similar program in your area. Please Note: We did not show our 'Bare' Spirit during the actual clean up!

### Bare Spirits Cinco de Mayo

Following a morning of rigorous road cleanup, it was time for the party. As predicted the sun broke through to warm the sun worshippers. Mariachi music wafted over the pool and hot tub while Jim in a borrowed sombrero kept beat with his maracas. If the usual Cinco de Mayo costuming was not in evidence, the food dishes more than carried the party theme. A nude piñata event highlighted a well-attended meeting and potluck. When children broke the piñata, coins and candies flew everywhere. It was bottoms up for everyone as the scramble for loot ensued.

### **Bare Spirits Ultimate Idol Representative**

That person will compete in the AANR-NW Regional Ultimate Idol karaoke contest at the July Jubilee (July 14-15). The Bare Spirits competition will be held shortly after the potluck on the 9<sup>th</sup>. For more information contact Judith at 503-623-2037.

### **From Editor Emeritus Don Magic Circle 06 - 07**

This year was much different than last year. Last year was HOT, this winter was cool and windy. Last year was quiet, this year we had one member die

and three life-flighted out. We were glad to see all three return before the season ended.

I traded my Pace Arrow for a different RV. I wanted an RV with a diesel engine for climbing the mountains in the Northwest during the summer. A really good saleswoman saw my weakness and convinced me to buy a more expensive RV than I should. If you see me holding a cardboard sign on a corner this summer, please be generous.
