Bare Spirits Nudes Letters

VOLUME 1, ISSUE 1

JAN—MAR 2008

FUN IS THE AGENDA THIS YEAR!!!

Hello my Bare Spirits Friends!!!

I am really looking forward to this year. We have a Board of Directors that have made a commitment to FUN this year. Here are some of the high lights of our planning session last month.

General membership meetings will be once a quarter. Our first one will be Saturday March 29th. We will still meet monthly, somewhere, but will only have a formal meeting every three months.

We are only producing a newsletter once a quarter. However, stay tuned for Nudes flashes (via email) that will keep you informed on what's happening. Also, our Vice President Rick has made a commitment to keep our Website updated.

Our goal is to have at least one activity a month. Have you got a "Plan for FUN"? Stay tuned for upcoming events, I know there is a canoe trip planned, a week long party boat event on Lake Powell, a dance with live band in August etc.... Got ideas? We are all ears. Step up to the

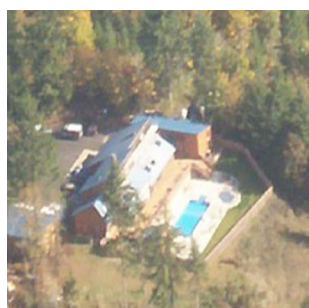

plate and take charge and put on a fun event for all to enjoy..

You are hopefully going to read about Bare Spirits as we start advertising our great club. Our goal is to ad at least 20 new Bare Spirits memberships this year. Danny is doing a great job finding alternative and inexpensive methods of advertising our FUN club.

Mike has taken over the Treasury job and has done a great job informing us of our financial status and current membership. Be prepared to receive an actual invoice when it is time to renew your membership. Also, if Bare Spirits is not your home chapter, consider making it your home chapter at the time of renewal.

A big thank you goes to Pamela for taking on the job of Secretary. It is an extremely important job and it takes a special person to do it.

Look forward to seeing all of you on the 29th. Bring a guest, the more the merrier...Yours in Spirit Jim

From the Vice- Rick

So far I have been Working on a members list that shows all who are Bare Spirits Members, and those who are not I have a working model up and ruining on EXCEL. So now we members can see at a glance who is and who is not a Bare Spirits full member. I'm All so working on a Sign In list for our club meetings, so all that one has to do is to check a box if your there, so we can keep count on how many show up at our meetings, and what months and so on. Squaw Mountain Ranch 03/08/08; Meeting up with the Sun Rovers.. Those in attendance had a great time. Well for now ...Naked Rick
