FUN IS ON TAP FOR UPCOMMING SUMMER!!

Hello my Bare Spirits Friends
 I heard a rumor that Summer was on its way. It really is. I know it is. Just don't know when or where!

Our next FUN meeting is Saturday June 14th. Fun starts at 1pm with a General Membership meeting at 4pm followed by a Pot Luck dinner. Bring something good for everyone.

For those that want an even earlier start, we are having a board meeting at Noon. As always, all of our Board meetings are open to the membership.

We have two couples that may be joining our meeting as they contemplate joining our Bare Spirits family. This will

be a great time to invite that potential member to one of our functions and checking us out.

For those that are coming to the meeting on the 14th, you will see the new addition

to our back yard. We have added a stage/dance floor and will be planting more lawn by the bungalows. OH! did I mention that we extended the wood deck another 24 feet.

"HOT AUGUST NIGHT" is the theme of Bare Spirits annual Weekend Party Aug

2nd & 3rd. Big Mama Gayle and her Sugar Daddies will provide the music with their rollicking rock-in-roll dance, cabaret and comedy show. Call Judith at 503-623-2037 with questions.

Enough BS....;-)

Yours in Spirit Jim

Vice presidents special report

A New AANR Club has formed Glassbar Island Nude Beach Volunteers. This Club is going to try to save the old Bring Beach Sight south of Eugene. The Web sight can be found threw AANR-NW

This New Club has set a goal to keep the Glassbar Island a Nude Beach.

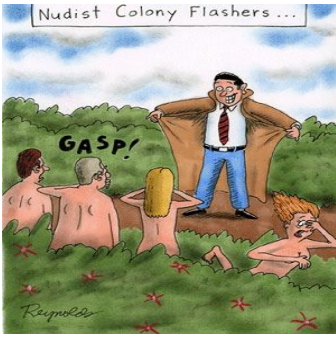

The land is now with the Oregon State Parks Department.

As A Travel Club I feel that it is important to support this group as

much as we can as a travel stop for us to enjoy.

This spot on the ground is more then likely to be a turning point for the Free Beach movement in Oregon.

This will be a starting point for more Nude Beaches in As

Ricks report continued . .

There are worst things in Life...

Oregon to grow. As some Parks in the past have had some sort of Free Beach area in them or by them. Quit a few have been lost over the last 20 to 30 years as I have found out the hard way as I started as a Free Beacher. As A new club that is working towards getting a State park to have a Nude Beach in it. The Glassbar Volunteers are going to have to show growth

in numbers, witch means members. And Members from all over the State and even form Out of State will help show the State Parks Department , Lane County, And others that are Spending Dollar is coming in the area. (In working with others in the past It's the all mighty Buck the speaks the loudest at most levels of Government) As AANR Members to join Glassbar it only coast \$13.00 . (I pore more Beer down the drain than that a year) A Member of The Wil-

lamettans, Bare Spirits, and The Sun Rovers, I felt that joining this group of people and supporting them is the most important thing that I can do for the Nudist-Naturist Movement in a Long Long time. Looking for a Great Nude Summer Rick Wohlers

Looking for More to do this Summer.

There is a lot happening.
