Bare Spirits Nudes Letter

61 Members and Growing

From Our President

Hello my Bare Spirits Friends,

We had a great meeting last time. Weather held out for us and a good time was had by all

I am pleased to announce the addition of four new members to our club.

Welcome new members Dan & Peggy H. and Bruce & Barbara D. We also had a guest Harry C. in attendance. Glad you could make it. We enjoyed your company.

Please check out the newsletter (Thank you Don!!!) you will see the complete list of new officers for the coming year. Thanks to all of you for your commitment in helping to maintain our reputation as the best club in the Central Valley.

Our next meeting is on Valentines Day so be sure to attend and bring your best Valentine attire and warm hearts with you. As always (during the winter months) our Board meeting will be at 4 pm and the General meeting will be at 5 pm followed by a pot luck of your favorite dishes. It is safe for everyone to attend the meetings now that elections are over with...

We are trying our best to insure that we do not conflict with the meetings of our "Sister" club the Sunrovers so we will be printing their calendar of events along with ours. Be sure and try to make as many of their meetings as possible. They are great people.

This should be another great year for our club and we are going to make every attempt to get as many new members (especially new to AANR) as we can and can use the help of all of you to steer potential new members towards our club. If there is any way I can assist, please feel free to call or email me and I will do what I can.

Thanks to all of you for allowing me to be your president one more year. Maybe I can get it right one of these times. Look forward to seeing all of you at our next meeting

Yours in Spirit - Jim

Bare Spirit Interview

Julie

Where did you grow up?

Grand Forks, North Dakota. I don't miss the weather, especially now that it's 35 below zero!

What did you do after school?

I studied Med Tech at the University of North Dakota for three years, then switched majors and went to a business college. I graduated with a two year degree in accounting, executive secretarial, and medical transcribing. I got married and moved to Devil's Lake. Then moved to Oregon in 1978 when my husband got a job offer in Roseburg. We wanted to get out of North Dakota, and looked like a good place to live.

Do you have any children?

I married my divorce lawyer and had two kids: Katie (27) and Michael (25). I

was a single Mom for most of their lives. I met Jim on the Internet five years ago and the rest is history!

How did you become a nudist?

I didn't become a nudist until I met Jim. We both realized we had wanted to try nudism, but wanted a spouse to share it with. We specifically picked this property because it was secluded, and we wanted to start a non-landed club.

Any hobbies or special interests?

Golfing, reading, and decorating.

What is your golfing handicap?

26

Anything else you want to say?

You should know that it's a myth that all nudists are liberals.

One more thing---Go Ducks!!!

Jim asked me if I'd do the Nudes Letter again and I agreed. As before I ask that you send me interesting articles. I have a new Email Address bseditor@oip.net to send your articles to. Thanks for your help ahead of time.

This is a time to enjoy and promote our Nudist Lifestyle
